Creating a Spending PLAN

A Practical Video Study from Crown Financial Ministries

Now is the time to Sign up for the Financial Class offered in May by Sunday, May 6th at the Missions Podium.

This three week class will be offered on Wednesday Nights: May 9, 16, and 23 at 7:00pm

The class *Creating a Spending Plan*, is offered through Crown Financial Ministries. www.crown.org

Whether you are a college student, a growing family, or an empty nester, applying God's wisdom to help reach your financial goals is important!

The best thing about this class is it provides **practical** help applying God's wisdom with your finances. A great tool is provided to help you do a check-up of your finances and determine what you need to do to reach your goals.

And no worries, you will not have to share your financial information with anyone else in the class!

This class will be facilitated by John and Pamela Westbrooks. John is a deacon and member of our Finance team. Pamela is a licensed CPA and manages the financial team at Upward Sports. They will be the first to admit they have much to learn themselves, but they offer their knowledge and services in this area to help others learn to handle money God's way.

If you feel overwhelmed when you think about money and how to manage it, or you feel like you have it under control but would like some additional tools, this would be a good class.

If you are interested in how to reduce spending, or how to increase savings or giving, this would be a great class for you.

The purpose of this class is to provide tools that will help you manage your money in a Godly way. *Creating a Spending Plan* is not about restraining you – it's about freeing you. This class is a great place to start!
