

Central Baptist Church Harvest Day October 6th, 2019

On **October 6th, 2019** we will celebrate and thank God for His provision. Please pray about what you will commit to give. You have six months to save and give. April, May, June, July, August and September. That is 26 weeks!

WHAT IS HARVEST DAY?

We would like half the offering to go to missions and half go to our building fund.

Missions, so we can fund efforts to reach those who need to hear the saving grace of Jesus Christ.

The building fund, so we can continue to eliminate more quickly the debt our church

On October 6th, we will give what we have saved and have a special time of worship, prayer, food and a special offering. *You may give through EasyTithe to the Harvest Fund if you'd like to designate giving throughout the year.

We want to have a time of thanksgiving....in Deuteronomy 14: 28-29, the Israelites held a special time of offering for orphans, widows, and others. In Amos 4:4-5, the Israelites offer a sacrifice of thanksgiving.

HOW CAN I PREPARE?

It is the first week of April, you have 26 weeks to save.

Things to consider that help you commit, save, and give above your tithe.

- 1. Can you commit to contribute one week's pay?**
- 2. Can you give up eating lunch out one day a week and contribute that money?**
If 100 families have 2 people give up eating out lunch once per week at \$10 per lunch, \$52,000 could be contributed to the Harvest Day fund.
- 3. Can your family give up eating out supper one time a week and contribute that money?**
If 100 families give up eating out supper one time a week at \$40 per week, \$104,000 could be contributed to the Harvest Day fund.

*If you have any questions about Harvest Day, please see Pamela Westbrooks, or Johnny Bridges. Thank you!
